The Ely Series

Watercolours by Alexander Creswell

**Limited Edition Prints
in support of**

Ely Cathedral Trust
Registered Charity No. 264803

Ely Cathedral is a glorious building which has been depicted by many famous artists over the centuries.

The Ely Series are a unique trio of paintings by Alexander Creswell, one of Britain's finest contemporary watercolour painters.

These limited edition prints, each individually signed and numbered, have been generously donated by the artist.

They are VAT exempt allowing 100% of the money raised to benefit Ely Cathedral Trust in support of the Cathedral fabric, its choral tradition and charitable mission.

Order Form & How To Pay

Please download an order form from our website and return via the address on the form or email fundraising@elycathedral.org.

If you would prefer to complete payment over the phone, please ensure that a contact number is included on your order form.

Delivery & Collection

We kindly ask that framed prints be collected in-person, where possible, from The Chapter House.

If you are unable to collect, we can deliver framed, or unframed prints to any UK mainland address. Unframed prints are available for international delivery. Contact us to discuss current delivery pricing.

Ely Cathedral Trust is a charity registered in England and Wales (no. 264803)
