As well as being a major visitor attraction, Ely Cathedral serves as a cultural focal point for East Anglia by providing a unique venue for the arts & music, exhibitions, concerts and theatre.

Despite these more recent adaptations into a living, vibrant community resource, Ely continues to exude spirituality.

At the heart of Ely, the Cathedral draws both national and international visitors to the region each year, benefitting local businesses and supporting the economy.

Your event sponsorship will help Ely Cathedral, as a charity, meet the areas of greatest need to ensure that communities within the city and region come together in a truly unique space for worship, culture, learning, and entertainment.
